Make a difference now!

Your contribution to The Pledging Tree Foundation (TPTF) will enable financially challenged families to join the mainstream of your local community. At TPTF, we go beyond providing short term solutions. Our goal is to bring the change in the mindset of these families by holding workshops and training sessions every quarter in addition to match their savings.

How can I make a difference?

Your contributions will go directly to programs working to improve the lives of low-income individuals in your local community. TPTF prides itself on keeping its administrative costs low, allowing your contribution to reach more families in need. All contributions are tax-deductible. Our Tax ID number is 20-8718198.
